

Action packed adventure days in Derbyshire, why not try a new challenging adventure pursuit aimed at juniors to adults, fun for all.

PICK & MIX ADVENTURES

Rock & Abseil Adventure Day Qualified instructors, safety equipment and insurance cover. Fun adventure experience for all ages and ideal for the birthday boy/girl who seeks a thrill. This is a real adventure party for children, they will totally enjoy themselves, fun in the sun experience.

Why not select more than one activity by combining them into a tailored adventure day for all the group to participate in.

Rock Weaselling A fun exploration challenge scrambling under the many boulder fields out in Derbyshire. The team will have to navigate across, under and over numerous bouldering obstacles to reach the finish. Helmets are provided for safety here.

Zip Wire Challenge A fast, fun thrill of a challenge crossing a gorge or between two towers of rock, where each team member needs to slide over a breath taking drop to reach the finish line on the other side. Full safety equipment provided here.

Bouldering Experience This activity is a must for the older enthusiast who seeks that bit more of a challenge and story to tell. Climb up several steep and testing boulders in the Burbage Valley, including gorge crossing and shallow water challenges.

Ladder Climb Challenge

This activity is a special challenge abseiling down a steep over hanging wall and then ascending the same pitch of rock by means of a ladder that swings and sways as you climb up. All safety ropes are used to prevent anyone falling.

Orienteering Adventure Trail

Try visiting the many isolated pools and gorges in the Peak District exploring the country and learning about the countryside and nature, incorporating the famous 'Burbage Orienteering Course' at three different levels. A fun walking and picnic trail with mini challenges and problem solving tasks included, ideal for younger children.

Tropical Nature Trails Experience a unique trip into a rain forest and nature park discovering the wonders of the tropical climates of the world. Experience the hundreds of wild animals and insects that live in these challenging environments of our planet. This is only available in conjunction with the 'Rock & Abseil Adventure Day' as a special extra value treat for the children.

Nature Mini Beasts Trail This fun and educational trail concentrates on exploring the many pond dipping pools in the Peak District and is ideal for children who don't want a high thrill activity day. This will include searching out habitats of the local wild life and collecting information and answering nature quizzes and then exploring the flora and fauna of Padley Gorge in Burbage Valley.

Nature Days: meet the numerous wild animals and tropical insects with live handling shows daily

Walking In Wild Places Experience a magnificent guided tour of the breath taking countryside of the Peak District National Park, your guide will lead a scenic tour down Burbage Valley & Padley Gorge, with short stop offs in the local historic villages like Grindleford and the famous traditional seventeen century train station café for a bite to eat.

Stream Scrambling Course This activity is an excellent team building challenge exploring the Padley Gorge and Burbage Valley bottom. The group will have to work together to complete simple tasks and mini challenges to overcome the obstacles that are placed in their way. A fun, light hearted course focussing on team moral and cohesion and building a relationship between the members that will be tested on one of the other more challenging pursuits later.

Visit A Show Cavern This tour is a superb underground adventure experience passing through the Home Of The Blue John Stone at Treak Cliff Cavern in Derbyshire, a guided tour of the best cavern in Hope Valley, and it features the Seven Dwarfs, the Witches Cavern and the most expensive single formation of Blue John in the World. This tour can only be booked in conjunction with a 'Rock & Abseil Adventure Day'.

Adventure Night Hike & Abseil Challenge

This activity is a must for the older participant, starting of at dark, takes you up Padley Gorge and up Burbage Valley navigating through the forest tracks and gorges by torch light. Completing some of the Adventure Orienteering Course around the forest edges. Then the team reaches the base at Burbage North. Now the challenge really starts, a simple safe scramble allows the summit to be achieved, then the team must set up an abseil in the dark and descend a steep rock tower in the dark to succeed the team challenge.

This is just a small selection of some of the adventure activities available for juniors and adults out in the Peak District National Park, concentrating on fun memorable group experiences, that will lead to new sporting interests and if it suits you a more adventurous way of life.
